Address:		Breed:	
Telephone:		Sex:	

REQUIREMENTS FOR SAHO PET RESORT GUESTS

1. All guests must be current on all vaccinations. **Dogs:** Rabies, DAP, Bordetella. **Cats:** Rabies, FVRCP.
2. All guests must be free of external parasites (ex. ticks, fleas, etc.), or they will be treated at owner's expense (\$15-\$25).
3. All canine guests must be current on Sentinel or Trifexis or must be tested for intestinal parasites (ex. hookworms, roundworms, etc) & treated at owner's expense.
4. Transmission of contagious disease is a possibility in any environment. Contagion is reduced due to our stringent entry requirements & symptoms are usually mild. Owners must be aware of this risk & assume responsibility for any additional medical expenses in treating a pet while boarding & after it has returned home.
5. Check in is after 2pm & Check out is by 11am. If your pet arrives earlier than 2pm there is no additional charge however their reserved space may not be available & they will be kept in another area until their reserved space is available. If your pet checks out after 11am they may be moved to another area to allow incoming guests access to their reserved space.

I authorize SAHO Animal Hospital to post pictures of my pet on their website & social media pages.

I have read the pet resort requirements and understand the policies.
